Forever Beloved[®]

The Passive Income & Residual Revenue Program for Distribution Partners

Sell Once, She Subscribes & You Earn Revenue from this Customer for Life

Our products are consumables, replenished 3-12 times per year. She will buy them again. But you would have missed out on her ongoing replenishment purchases because she's unable to return to your location and/or she chooses to buy elsewhere.

STEP 1:

She makes her initial Beloved purchase from your location or from your tracking link on our website.

STEP 2:

Rather than losing out on that replenishment revenue, we sell her a subscription. Beloved handles everything. You do nothing.

STEP 3:

3. You earn passive revenue from every purchase in her subscription service for life

Example: a single sale in your location can realistically generate more than \$800 PER CUSTOMER over three years

One sale of Beloved per day with a 75% conversion rate into subscriptions can realistically generate nearly \$75,000/year
