WHEN ART GETS SCENTS

ICONESSE was founded for those who want to discover the multisensory art of living.

Developed with the utmost care by Parisian perfumers and set in crafted glass from Europe, ICONESSE scented candles are a sublime, sensual experience. The collection is inspired by world-famous artworks and transforms any interior into an artistic experience.

ICONESSE

GREAT
WAVE

Six renowned works of art inspired us to create this unique collection. Each of the candles tells a different story involving all the human senses. Impressions were designed to spark the imagination, inspire and awaken your creativity.
