Eco-Luxe Beauty Tools

ECO-CONSCIOUS & ETHICAL

At Jenny Patinkin, we pride ourselves on working to limit the impact our products have on the environment. We source plant-based or innovative safe-synthetic materials; utilize post-consumer and post-industrial recycled materials; and work with manufacturers who have closed loop or other eco-safe manufacturing practices. We also thoroughly vet our manufacturing partners to ensure certification of safe and ethical work conditions.

LUXURY QUALITY

Jenny Patinkin products are handmade by highly skilled or generational artisans and are made to our exacting standards. All products are sourced directly from the manufacturer in order to maintain strict quality control oversight and to avoid costly third-party upcharges.

USER-FRIENDLY

Designed to her custom specifications, Jenny's products are intended to give the user maximum confidence and control. Features such as weighted bases, carefully calibrated proportions, and ergonomic shapes allow for ultimate user-comfort and success.

TRANSPARENCY

As a woman over 50, Jenny is highly attuned to age-related changes in the skin and as such, is transparent not just about the benefits of using her products, but also the limitations. While Jenny Patinkin products can support and enhance an existing skincare and makeup routine, Jenny is committed to eliminating hyperbole and over-promising results.

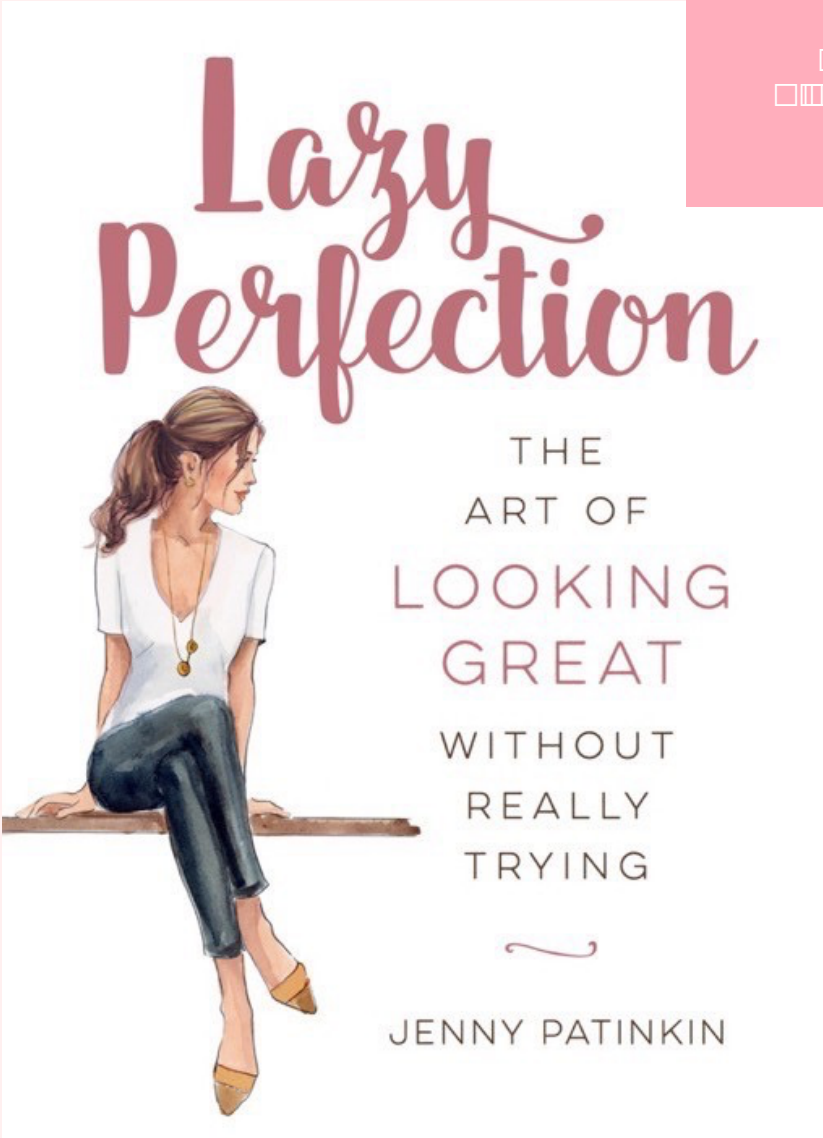

Jenny educates women in person as well as via social media, Zoom, various other digital outlets about her simple, natural approach to beauty and how to get the most out of your beauty tools.

She has been asked to lead Master Classes and Tutorials by Stylecaster, Shape, Bluemercury, Byrdie, Credo and Cos Bar and has a devoted and highly engaged following who tune into her own social media accounts for all manner of beauty insights, tips and tricks.

Shape Shifter - Eyebrow Touch Up Tool

COMING FEBRUARY, 2024

\$14 SRP

This tiny touch-up tool is the perfect way to get your shift together
- around your eyebrows, that is.

Made with an ergonomically curved handle and a tiny 2cm round-edged safely blade, this tool can be used to trim, shape and maintain your brows so you can go longer without having to endure painful plucking, waxing or threading.

Plus, de-fuzzing the brow bone and upper lid areas will help eyeshadow apply more smoothly for a more polished look.

And of course you can use this to touch up other areas of the face
as well.

Set of 2.

Made with a reusable Japanese stainless steel blade. Good for up to 10 uses each.

Get your shift together ☐

The Big Reveal Eyelash Curler for Hooded and Deep-Set Eyes

COMING APRIL, 2024
\$20 SRP

If you've ever had a hard time curling your lashes or pinch your lids when you do, chances are that your lash curler is simply not the right shape for your eyes.

Our Big Reveal Eyelash Curler is specifically designed to lay flush against deep set and hooded lash lines so that you can get the lift and curl that'll bring out the best in your eyes.

Say hello to fluffy lashes and big, bright eyes.

- ♥ Elongated, flattened shape lays flush against hooded and deep set lash lines
- ♥ Upright cage angle is designed to fit even the deepest of orbital bones
- ♥ Extra firm bumper pad gives more curl with less effort and no need to "pump"
- ♥ Small finger holds give stability, balance and control
- ♥ Light pink bumper pad allows for better visibility in placement

Hi there, Bright Eyes ♥

GOOD NEWS

Unlike most sponges, ours are dye-free, formaldehyde-free and free from flame retardants.

BETTER NEWS

Our sponges are made with a new and technologically advanced water-borne prepolymer polyurethane foam that biodegrades.

BEST NEWS

Our updated sponges have the same elegant look and perform just as beautifully as our original version. They're still velvety soft and delightfully squishy, and give a flawless application of makeup.

bonus BEST NEWS

The pores on these sponges are so tiny they're not visible to the naked eye, which means that they not only absorb less makeup, they're also easier to clean.
