SUNSCREEN REIMAGINED

CRAFTED FOR EVERY KIND

sonrei®

CRAFTED FOR EVERY KIND

ABOUT US

We are a sun care first skin care brand. Consciously created with care and intention. That's why every product in our line is paraben-free, cruelty-free, gluten-free, fragrance-free and vegan. It's a promise that we take seriously—and one that we're proud of. We are committed to creating inclusive products for all skin tones, types and lifestyles.

We named our brand Sonrei from the Spanish verb for smile, “sonreir,” because we know our sunscreens will leave our customers grinning.

FACIAL SUNSCREEN POWERED BY KINETIN

Plant-based growth factor. clinically proven to:

- Assist the skin in retaining moisture
- Reduce fine lines, wrinkles, and roughness
- Reduce dilated blood vessels
- Reduce hyperpigmentation
- Gentle and non-irritating
- Safe to use during the day

Studies have shown that growth factors can be highly effective at rejuvenating the skin's youthful appearance.

FIRST AND ONLY

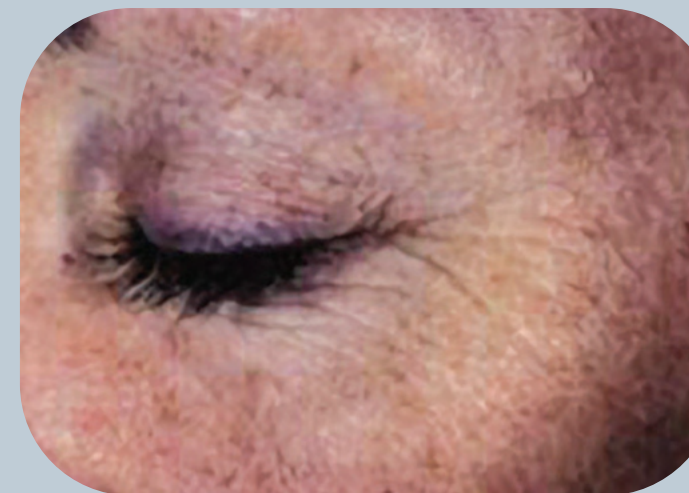

FACIAL SPF + GROWTH FACTOR GEL/PRIMER COLLECTION

KINETIN POINTS OF DIFFERENCE

- Reduces the signs of skin aging and improve skin's ability to retain moisture.
- Improves skin texture 86% without the side effects associated with retinoid use.
- Improves hyperpigmentation by 24% and reduces the appearance of brown spots.
- Antioxidant benefits that help neutralize free radicals.

ATHLEISURE HYDRATING SUNSCREEN GEL COLLECTION

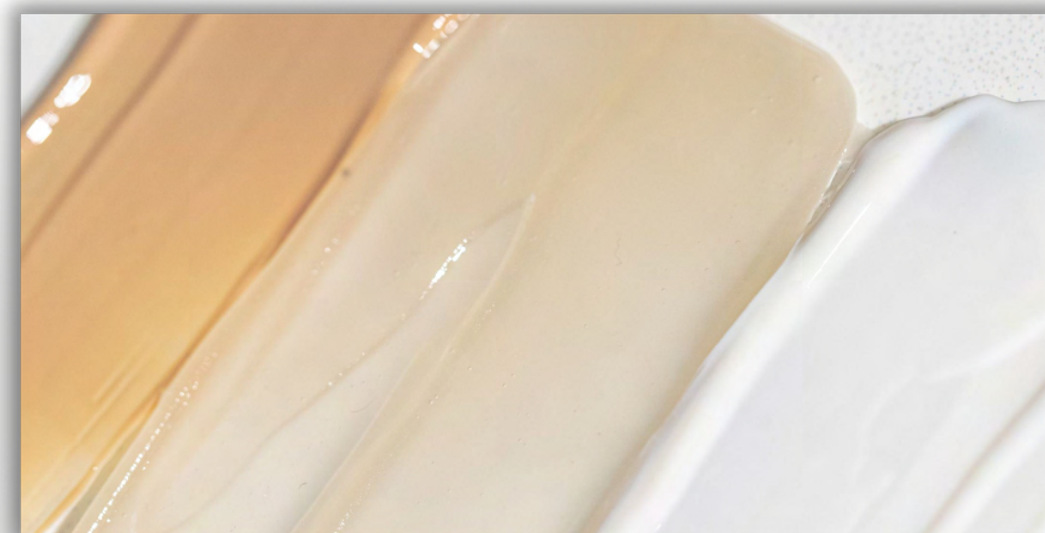

PROPRIETARY
ORGANOSHIELD®
TECHNOLOGY

WHAT IS ORGANOSHIELD

Put simply, it's a gel you'll love applying to your skin. If we're to get technical, it's a semi-solid system in which the organic liquid phase is immobilized within a three dimensional cross-linked network of intertwined gelator fibers.

WHY IT IS IMPORTANT

Organoshield creates a clear smooth film that bonds effectively to the top of your skin as a safe protecting layer. The sunscreen ingredients and antioxidants are tightly held in place via a uniform lattice structure, bringing you a sunscreen with maximum efficacy and the soothing feel of a gel.

ORGANIC SUNSCREEN MIST COLLECTION

ORGANIC
These hydrating formulas are made from 70% certified organic ingredients and antioxidants.

This innovative packaging uses only compressed air, not propellant chemicals used in aerosol cans. When the buttons pushed, air pressure squeezes the sunscreen out of the airless bag inside.
