OIL DIVINE'S CLEAN COMMITMENT

Being 16-free - our ingredients list are all premium, plant-based oils, and we do have a long list of banned ingredients.

Having documentation on our ingredients - each batch comes with CoA, SDS, and Organic Certificate.

Being vegan and cruelty-free - all products are made for real people, and tested on real people for basic consumer safety and product stability. Never on animals.

Minimizing the use of plastic - we use natural and highly recyclable materials whenever it's possible. Glass is our go-to. For shipping, we only use carton boxes and paper craft protection which is widely reusable and recyclable.

Making our products in the USA - in small batches at our Pennsylvania facility. No outsourcing, no shortcuts. We control the entire process from the formula creation to the shipping to our clients. All products are always fresh and stay at the warehouse no longer than two weeks before being sent to our customers, retailers, or spas.

Transparent and easy to read ingredients list - Many products out there have an extensive ingredients list filled with words one can hardly pronounce and require help to decipher what each one is. At Oil Divine we keep it simple but powerful.

16-free means that all of our products are formulated without a trace of:

Added hormones
Artificial colors
Artificial fragrances
Animal-sourced ingredients
Formaldehyde
Gluten
GMO ingredients
Harsh chemicals

Non-functional fillers
Petroleum-based ingredients
PFAS
Phenoxyethanol
