

YULINJADE
ORGANIC ACTIVE
SKINCARE

YJ Organic Bioactive Facial Protocol

For use with any skin type.

Not recommended for acne skin.

STEP 1: RADIATE Phytonutrient-C Youth Boosting Cleanser

For clarification, cell nutrition, elasticity, and brightening/evening of skin tone.

Key Ingredients: Aloe, MSM, Vitamin C, Dandelion, Orange Peel, Gotu Kola.

- Steam the face
- Apply one full pump of Cleanser to face and use rotating, massaging motions to thoroughly cleanse
- Completely remove cleanser with a damp towel or sponge
- Repeat process if even deeper cleansing is needed

STEP 2: RESURFACE 360 Radiance Therapy Mask

For gentle exfoliation, drawing of impurities, and moisturizing nourishment.

Key Ingredients: Papaya and Pineapple Enzymes, Glycolic, Spirulina, Tea Tree Oil, Macadamia Nut Oil, Tamanu Oil

- Apply Mask with a fan over face, neck, and décolleté
- Leave on undisturbed for 5 minutes
(Optional) Perform hand massage with massage gel/lotion and few drops of RESTORE Oil
- Cover face with steamed towel for another 5 min, while mask is on
- (Optional) Massage feet with massage gel/lotion and few drops of RESTORE Oil
- Use cold, damp sponge to gently remove mask

- Repeat procedure with a clean sponge

STEP 3: EXTRACTION (if applicable)

- Remove towel and perform extraction procedure if needed

STEP 4: REFRESH Pro-Peptide Fruit H2O Mint Infused Essence

For ph-balancing, toning, hydrating invigoration, future product preparation

Key Ingredients: Cucumber, Watermelon, Kiwi, Mint, Matrixyl 3000 (double peptide blend)

- Spray toner Essence over face, neck and décolleté
- Gently pat into the skin

STEP 5: REVIVE Astaxanthin Triple-C Serum

For healing cell turnover, brightening, smoothing, collagen production

Key Ingredients: Astaxanthin from Red Algae (cell regeneration), Acai, Camu Camu, Amla (Vitamins, Including C), L-Ascorbic Acid

- Apply Serum (4-5 drops) over face, neck, and décolleté

STEP 6: Optional Adjunct Devices (if available) -

- Ex: YulinJade Gemstone Rollers, LED Light, Oxygen, Guasha, etc
- (Optional) Massage shoulder, neck, and back with a few drops of Oil

STEP 7: REPLENISH Superfruit Ultra Vitality Creme

For firming/plumping, intensive moisture, vitamin/minerals infusion.

Key Ingredients: Mango Butter, Sea Buckthorn Berry, Marula, Goji Berry, Snow Mushroom (hydrator like Hyaluronic but smaller molecules for better absorption), Lupini Bean (firming), Chaga Mushroom (mild UV protectant)

- Apply Creme (~1 mini spatula or dime size) on face, neck, and décolleté
- Gently massage into skin for about 1-2 minutes

- Add more creme if needed for very dry skin

STEP 8: RESTORE Cellular Recovery Oil, Multi-Use Liquid Gold

For moisture sealing, cell renewal, evening of skin tone, free radical protection.

Key Ingredients: Argan Oil, Rice Bran Oil, Borage Oil, Sea Buckthorn Oil, Rosehip, Ylang Ylang, Clary Sage.

- Apply Oil (4-5 drops) and gently massage into face, neck, and decollete

(Optional) STEP 9: PROTECT Pure Glow Tinted Velvet Sunscreen

For the safest sun blocking, light to medium coverage, intensive moisturizing.

Key Ingredients: Artesian Spring Water, Non-Nano Zinc Oxide (25%), Shea Butter, Jojoba and Olive Oil, Iron Oxides (for natural color)
(use for dry to normal skin)

- Apply Sunscreen (dime sized)
- Gently spread and lightly massage in
- Lightly dab with tissue for a more matte look

NOTE: Feel free to adjust protocol on as needed basis.
